# GENERAL INFORMATION

## PURPOSE AND OBJECTIVES

The basic purpose of Mississippi Southern College is to train elementary and high school teachers. A large proportion of the students, however, are concerned with pre-professional courses in liberal arts, and with courses in music, business and commerce, and physical education. The college prides itself on the cordial relationship between students and faculty, and the interest of faculty members in the development of the individual students.

## ACCREDITATION

Mississippi Southern College is accredited by the Southern Association of Colleges and Universities, the American Association of Teachers' Colleges, and the National Association of Schools of Music. A degree, or credit, from Mississippi Southern College is recognized by any college or university in the United States.

## EXTENSION OFFERINGS

The offerings of the Division of Extension are of two general types as follows:

A. Extension work by class instruction in which the teacher meets the classes at some study center provided by the class.

B. Extension work by correspondence in which the student works out written assignments which are sent by mail to the instructor and graded by him and returned to the student.

Extension work at Mississippi Southern College is offered by regular members of the faculty in off-campus centers or by full-time extension teachers. Administrators, teachers, or others, interested in extension classes may secure full information from: Director of Extension, Mississippi Southern College.

## EDUCATION FOR VETERANS

SERVICES FOR VETERANS—Mississippi Southern College has made all of its resources available for those returning from military service. Members of Veteran's Committee are prepared to help veterans secure benefits provided in Public Law 16 (Rehabilitation) and Public Law 346 (G. I. Bill of Rights). A Veteran's Advisement Center will help prospective students decide upon the type of training for which they are best fitted.

CREDIT FOR MILITARY EXPERIENCE—For basic military training, veterans may receive six quarter hours of credit in physical education and hygiene. Credit for specialized training received in service schools, for Armed Forces Institute courses, for A. S. T. P. and for Army University Center courses will be given according to the recommendation of the American Council on Education.

RECREATION AND ACTIVITIES—Mississippi Southern College students are friendly and democratic. The Social-Religious building provides a meeting place for students. A golf course, archery, swimming, and dancing are examples of the recreational activities sponsored and supervised by the college for the students. Vesper services are held twice weekly. Other religious activities are a part of campus life. The Student Government and Christian Federation parties, and sorority and fraternity socials add much to the enjoyment of college life.

HOUSING FOR VETERANS—Facilities are available in dormitories for housing veterans. Married veterans without children will be housed in Forrest County Hall and married veterans with children will be housed in the Stadium dormitory.

COURSES FOR VETERANS — Regular college work for returning veterans and others is offered by the various divisions of the college, leading to the B.S. or B.A. or Mus.B. degrees. These divisions are:

TEACHER EDUCATION—Preparation for high school and elementary school teaching. Demonstration School for practice teaching.

MUSIC AND ART—Courses in vocal, piano, orchestral, and band music leading to Mus.B. degree. School is accredited by the National Association of Music Schools. Specialized courses in art and art education.

LANGUAGE AND LITERATURE — Courses leading to the B.A. degree in liberal arts. Also speech and journalism.

HEALTH AND PHYSICAL EDUCATION—Preparation for positions as director of physical education in high schools and in public health work and health teaching.

HOME ECONOMICS—Preparation for teachers of vocational Home Economics and short course for homemakers. Nursery School for observation and practice teaching facilities.

SCIENCE AND MATHEMATICS—Courses leading to B.A. and B.S. degrees in these fields.

SOCIAL STUDIES AND COMMERCE—Specialization in the Social Studies. Courses in business subjects leading to a degree or on short course basis.

CORRESPONDENCE STUDY—All of the correspondence courses of the college are available for Veterans.

## SPECIAL COURSES FOR VETERANS

Many veterans want a one-year course which will prepare them for a particular position. With this in mind, the faculty of the college prepared several short courses especially for veterans. These courses are as follows:

### I. Organization and Operation of the Small Business (One Year Course)

**Purpose of Course**

Now that you are back home you are possibly thinking and talking of entering some kind of small business of your own. The risk of running a small business is very great, and you may decide that you need some further training before establishing or purchasing a business of your own. Mississippi Southern College has provided a course to help you with the problems and responsibilities of an independent businessman.

**Who May Take Small Business Course?**

Any veteran eligible for schooling under the G. I. Bill of Rights of P. L. No. 16 or any civilian, age 21 or over, who is preferably a high school graduate but who may have had only one or two years of high school may take this OPERATION and MANAGEMENT of the SMALL BUSINESS course. A genuine interest in business subjects is also necessary.

Such eligible students may enroll for the course at the beginning of any quarter of the college.

**Credit for Course**

Students successfully completing the OPERATION and MANAGEMENT of the SMALL BUSINESS course will be given a special certificate. If a student meets the requirements for admission to the college, college credit will be given for all courses taken which are of college level.

**Opportunities for Practical Experience**

In addition to theory courses, there will be an opportunity for practical experience in many small businesses. Such opportunities will be as follows:

1st Quarter—**Practical Problems in the Small Business**—Each student will choose a type of small business and will be assigned to the owner of such a business in Hattiesburg, in Cooperation with the Hattiesburg Chamber of Commerce. He will be asked to work up a complete plan for the establishment, operation, and management of a small business of his choice.

2nd Quarter—**Practical Experience in Small Business**—Each student will be given an opportunity for practical work in a small business of a type of his own choice. This experience will be in sales work, stockkeeping, buying, advertising, displaying, accounting, and other practical phases of small business.

3rd Quarter—Same as the 2nd Quarter.

4th Quarter—Same as the 3rd Quarter.
